basic feeding + watering

easy reach diner

Take pet dining to a new level with the Easy Reach Diner elevated feeder and waterer! Tall dogs will benefit eating and drinking from elevated bowls, which prevent stooping and associated discomfort. With removable stainless steel bowls for easy cleaning and anti-rattle bumpers for bowl noise reduction, the Easy Reach Diner is a win for pets and pet owners.

Dimensions: 28.3 X 13.6 X 14.5

Petmate does not sell directly to the public, nor do we sell online through this Web site. We encourage you to print out your "wish list" of products, visit your local pet store and ask for Petmate by name!
